Ep EFL 352 (3500KG)

Description

EFL352 The EFL 352 is a robust durable electric forklift that can replace your trusted diesel forklift. It is a flexible all-rounder with a lithium-ion battery, another advantage is that it can move pallets up to 3,500 kg both indoors and outdoors. The EFL 352 offers great ease of operation and has extensive safety features. The mechanical braking system shortens the braking distance and increases safety. The wide mast ensures good visibility during operation. EFL352 features 24-month warranty; Can move loads up to 3,500 kg; Indoor and outdoor use; Great all-round forklift truck; Features an ergonomic design.
