Description

EP EFXZ-301-H – Greenline | Electric Forklift Truck 3000 kg – NEW The EP EFXZ-301-H Greenline is a powerful, fully electric forklift truck that combines top performance with durability and low operating costs. With a lifting capacity of 3000 kg and a modern 280Ah lithium battery, this machine is ideal for intensive daily use in warehouses and industrial environments. Thanks to its triplex mast with free lift, this forklift truck can reach a lifting height of up to 4.80 metres, without additional height restrictions in low spaces. The integrated side shift and 4th free function ensure maximum flexibility when handling loads. Safe and comfortable working is key with LED lighting, a blue spot, rotating beacon and a clear display. The 220V built-in charger makes charging easy and practical: just plug it in and you're ready to go. Key features Lifting capacity: 3000 kg NEW – ready for immediate use Lithium battery: 280Ah (large capacity) Battery warranty: 5 years Machine warranty: 2 years or < 2000 hours Mast: Triplex with free lift Lifting height: 4,800 mm Integrated side shift 4th free hydraulic function LED lighting, blue spot and rotating beacon Built-in 220V charger Clear multifunctional display Why choose this forklift? This forklift stands for low maintenance costs, zero-emission operation and maximum productivity. Perfect for companies that want to work more efficiently, quietly and sustainably.
