| Lifting capacity | 7.000kg |
| Lifting height | 3.050mm |
| Mast type | mastType.duplex |

Clearance height

2.650mm

Hangcha CPD70 HC CPD70-XC5

Description

Hangcha 7 ton forklift, electric Ultra-modern, completely redesigned electric series, state of the art design, ergonomic, robust, durable, Curtis AC control drive and lift. The new vehicle concept offers the operator optimal ergonomics. The best access, legroom, visibility and space are the basis for a fatigue-free machine. Drive is via an L-shaped axle body/traction motor unit, which creates space for large 48V and 80V traction.
